Term 3 - Practice test – Web page design

Grade: 12
Time: 40 minutes
Marks: 40

You are required to finalise the web page created to provide information on a tour through Africa.

Open the incomplete **Zambia_Zimbabwe** web page in your web browser and also in a text editor.

NOTE:

- Question numbers are inserted as comments in the coding as guidelines to show approximately where the answer(s) should be inserted.
- An HTML tag sheet has been attached for reference.

Your final web page should look like the example below.

VICTORIA FALLS ZAMBIA

GENERAL BACKGROUND

The Victoria Falls are situated on the border of Zambia and Zimbabwe, and originate from the Zambezi River. Perhaps the most famous waterfalls in existence, they feature the world's largest continuous sheet of falling water and were declared a UNESCO World Heritage site in 1989.

The Falls are sometimes referred to by their name, 'Mosi-oa-Tunya', which means 'The Smoke that Thunders'

Advantages of visiting the Falls

- See falls from above as well as below
- Accommodation in the town of Livingstone
- Livingstone is an interesting place
- The surrounding forested areas are more pristine
